Dear Mr. Rosenthal:

With reference to your letter dated 27 May, 1948, I have asked the Federal Communication Commission if they had the information which you desire. They have assured me that ownership, language, and commercial activities of foreign broadcasting stations is not within the scope of their interest.

As to the availability of the information within the Foreign Broadcast Information Service, I regret to inform you that we are unable to fulfill your request.

Yours very truly,

L. K. WHITE
